

## FIZINet Category 5e UTP Horizontal Cable

---

- Category 5e 100-ohm UTP horizontal cable
- Four twisted pairs: solid bare copper 0.51 mm OD (24 AWG), insulation: 0.9mm OD
- Supports 100 MHz bandwidth
- Complies with Permanent Link and Channel Category 5e performance according to ANSI/TIA/EIA-568B.2 and ISO/IEC 11801 2<sup>nd</sup> edition
- Overall diameter: 5.2 mm nominal, 5.4 mm max.
- PVC gray jacket
- Box package of 305 m
- Installation temperature: 0 to 50 °C
- Operating temperature: -20 to 60 °C
- Bending radius (min.): 40 mm during installation, 20 mm during operation
- Nominal weight: 28 kg/km
- Part Number:  
R4910000 FIZINet Category 5e UTP Horizontal Cable, PVC, 305m Box
